## **Quincy Medical Center Golf Classic Raises Nearly \$184,000**

**Quincy, MA, July 18, 2006** – South Shore business and civic leaders again took to the links on Tuesday, June 27 for the 17<sup>th</sup> Annual Quincy Medical Center Golf Classic, raising nearly \$184,000 to support the advanced, high quality compassionate care at Quincy Medical Center. Proceeds from this year’s Classic specifically will benefit the Medication Safety Program at Quincy Medical Center, a proactive performance improvement initiative to enhance patient care and safety.

Held at Granite Links Golf Club at Quarry Hills in Milton/Quincy, this year’s Classic included a sold-out golf tournament, offering players either a Scramble or Best Ball format, as well as a cocktail reception, buffet dinner, raffle drawings, and an awards presentation, held in Granite Links’ new clubhouse.

Lead sponsors for the event were:

- Host Sponsor – Granite Links Golf Club at Quarry Hills
- Presenting Sponsor – Mintz Levin Cohn Ferris Glovsky and Popeo, PC
- Dinner Sponsor – Fallon Ambulance Service
- Cocktail Reception Sponsor – South Shore Savings Bank

“Through the long-standing support of our sponsors, Golf Committee members and volunteers, our tournament has become a signature event on the South Shore — raising more than \$1 million, over the years, to support the advanced, high quality health care services delivered each day at Quincy Medical Center,” said Dr. Gary Gibbons, President and CEO.

*Quincy Medical Center is a 232-bed acute care community-teaching hospital providing South Shore residents with comprehensive medical and surgical services. The medical center’s Alliance for Quality with Boston Medical Center (BMC), formed in 1999, brings academic medicine to the community. At Quincy Medical Center, physicians from Boston Medical Center direct the departments of medicine, surgery, anesthesia, emergency medicine, and psychiatry. Additionally, physicians from BMC who are board-certified in a range of medical and surgical specialties work side-by-side community physicians to ensure the continuity of care*
